

Hill County Electric Cooperative (HCE) is committed to the seven cooperative principles, one of which is to provide education and training for its members. As part of this commitment, the Cooperative offers scholarship opportunities to its members and member dependents. Each year, our Trustees are continually impressed with the quality of applications and the impressive records of the students who apply, so in addition to the Basin Scholarships; the MECA Scholarships; the HCE Workforce Development Scholarships; and the Luck of the Draw Scholarships, HCE invites its members and member dependents enrolled or planning to enroll in an accredited college this fall to apply for the Cooperative’s “Tell Us Your Story” Scholarship. This unique scholarship is solely based on the information you provide to the committee. When telling your story and where you are going in the future, be sure to specifically include the following: What is your need for this particular scholarship and what goal are you trying to achieve by attending college? To participate, you must be a member or dependent of a member with an active HCE account. HCE’s “Tell Us Your Story” Scholarship will be paid AFTER the successful completion of fall or first semester of school. To request payment, visit www.HillCountyElectric.coop in December; complete the online scholarship request form and requirements and submit! Call 394-7804 or e-mail scholarships@itstriangle.net for assistance.

Student’s Name _____

HCE Account Name _____ Number _____

Parent/Guardian Name(s), if Member Dependent _____
